Void where prohibited, only available in US. Fuel Rewards® savings are limited to 20 gallons of fuel per purchase per vehicle or fraud limits placed by Shell and/or limits placed on your payment card by your financial institution, each of which may be lower. Dispenser may require a price of up to \$0.109/gallon. Once you begin to dispense fuel using your Fuel Rewards® savings, you must dispense to the 20-gallon limit or you forfeit any remaining gallons. If you have a rewards balance greater than the current per-gallon price of fuel, the price will roll down to the maximum capability of the fuel equipment, and your remaining rewards balance will be saved for a future fuel purchase. For purchases of \$75 or more, please go inside to pay. Unbranded diesel and alternative fuels may not be eligible. The Fuel Rewards® program is owned and operated by Excentus Corporation. Offers may be modified or discontinued at any time without notice. Not valid where prohibited by law.
