Gold+ Status in the Fuel Rewards[®] program

Gold+ Status in the Fuel Rewards[®] program is created for Shell's best customers to recognize and reward them for their loyalty. Membership is open to anyone, but the program is by invitation only. Gold+ Status is based on purchases of Shell Fuel and convenience store items and activity in the Fuel Rewards program. We encourage you to make Shell your preferred fuel brand and purchase often using your Fuel Rewards account to increase your opportunity to become Gold+.
